centerpoint

VERSE FOR AMERICA

*May our feeling penetrate
To the centerpoint of our hearts
And seek, in love, to unite itself
With human beings of like goal
And with spirit beings, full of grace,
Who Strengthen us from realms of light
And illuminate our love
While gazing down
On our earnest, heart-felt striving.*
Rudolf Steiner, 1923

ANNUAL MEMBERSHIP RENEWAL

January 1 – December 31, 2013

Dear Members and Friends,

We would like to take this opportunity to invite you to join or renew your membership in Centerpoint: The New York Branch of the Anthroposophical Society in America.

The New York Branch is dedicated to cultivating anthroposophy and sharing its gifts. Our goal is to continue to grow as a center where spiritually-seeking individuals can meet each other and work together. In the past year, we had numerous exceptional programs, exhibits, and social events, including new programs -- Open Saturdays and Anthroposophy Down to Basics; internationally known presenters – Dr. James Dyson, David Lowe, Eugene Schwartz, Lisa Romero; program series – Religions & their Evolution, Rhythms and Cycles of the Logos, Sacred Geometry, as well as a workshop on Rudolf Steiner’s Second Mystery Drama.

The celebration of festivals, our rich offerings in art, drama, music, movement, and exploring New York City’s vast cultural wealth will proceed as usual. Alongside individual programs and ongoing courses, we have numerous study groups, including the “St. Mark Group,” the oldest Anthroposophical group in the US, started in New York City in 1910, over 100 years ago and our newest group, “Rudolf Steiner’s Six Basic Exercises.” These provide the ground note of vital Centerpoint community life.

Membership offers you discounts on programs and access to our large library – and we recently added a benefit of a free issue of Lilipoh to all NY Branch members, four times a year (a \$20 value). Please bear in mind, too, that membership offers the privilege of having a voice in branch affairs through participation in our periodic business meetings.

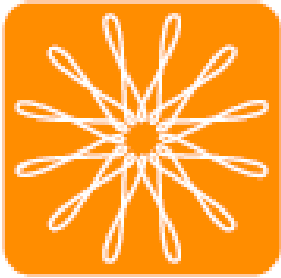

To remain healthy as a community, we need your voice, your insights and your caring. Whether as continuing or as new members, by joining you signal your support for the shared life of community – which at Centerpoint remains non-profit, all-volunteer, and fully committed to working in and for the spirit of our times. Please complete the form on the reverse side of this page and mail it back to us at the address indicated.
